

Gonski Counseling Services

Due to safety and HIPPA compliance as top priorities, we have adapted a new text policy at Gonski Counseling Services:

Text is now to be used for scheduling/rescheduling appointments only.

Any questions, concerns, or crisis should be handled by calling the therapist to obtain direction of where to go, going straight to the emergency room or dialing 911. If a crisis session is needed, please call your therapist directly.

We also want to make sure we are protecting your privacy when we call you. Please tell us how we can contact you:
